

**“Exploring the Roots of Science of Mind”**  
with Rev. Katherine Saux

Thursday evenings  
6:30-9:30 pm (10 weeks)  
May 25 - July 27, 2017

Roots is a fascinating journey through the minds of New Thought luminaries who greatly influenced Ernest Holmes, the founder of Religious Science. You will deepen your understanding of the philosophical foundations of Religious Science and other New Thought teachings, and be inspired by the power of the written word.

Truth lives on through the works of the authors and spiritual pioneers that we study: Ralph Waldo Emerson, Judge Thomas Troward, and Emma Curtis Hopkins.

Don't miss this opportunity for provocative thinking and lively discussion about the very foundation of not only our own philosophy but that of the New Thought movement.

Prerequisite: Foundations or Beyond Limits  
Tuition: \$295 (**Special pricing of \$260** if paid in full or with a \$50 non-refundable deposit received by May 11th)

Texts: *The Science of Mind* by Ernest Holmes, *Emerson's Essays* by Ralph Waldo Emerson, *The Edinburgh Lectures* by Thomas Troward, *Scientific Christian Mental Practice* by Emma Curtis Hopkins.

**“Make Me an Instrument of Your Peace: Living the Prayer of St Francis”**  
with Rev. Karyl Huntley

Tuesday Evenings  
6:30-9:00 pm (4 weeks)  
June 6 - June 27, 2017

Join Rev. Karyl to explore what making peace looks and feels like in today's world. Inspiration from the Bible or another holy book, from St. Francis, Jesus, or Ernest Holmes, only works if we can apply the wisdom to our own lives with practices that make sense and that we will actually do. This class will give you those practices.

Would you like more peace in your relationships or at work? Would you like a way to enhance peace on the world stage? Is peace of mind what you are seeking? Let St. Francis speak to you in your heart.

We have spoken and sung the words, “Let there be peace on earth and let it begin with me.” Now let us live those words and serve ourselves and each other by being a force for peace.

Prerequisite: None  
Tuition: \$145 (**Special pricing of \$125** if paid in full or with a \$50 non-refundable deposit received by May 23rd)
